- EMR/EHR Systems
- Radiology/PACS Systems

Experience

01/2020 – PRESENT

MRI Tech / St Anthony's Hospital, St Pete, FL

Educated patients on procedure details, provided instructions and answered questions to minimize anxiety and improve cooperation.

Ensure that patients are properly screened and safe for MRI scanning. Scanned patients for routine, trauma, or under anesthesia sedation. Performed Gadolinium injections, and proper sterilization techniques.

Handled private and confidential information in compliance with hospital policies and procedures, including HIPAA protocols.

Able to multitask in a stressful work environment.

Precept MRI Students to obtain CEU's for national registry requirements.

02/2006 – 12/2019

Radiology/MRI Tech / Bayfront Health, St Pete, FL

Gathered data to analyze where/how time was wasted in between MRI scans.

Facilitated positive care experience for patients, establishing rapport and applying interpersonal skills to reduce anxiety and promote cooperation.

Reviewed physicians' orders to determine medical imaging needs and operated radiology equipment to capture, develop and produce diagnostic images.

Oversaw preliminary operating room fluoroscopy procedures. Assisted in angiography stent procedures utilizing fluoroscopy.

Mentored new staff and student technologists.

Served as an Instructor for refresher training in surgical imaging and power injector procedures.

02/2001 – 05/2006

Lead Anesthesia Tech / Largo Medical Center, Largo, FL

Managed supply budgeting and purchasing for Department of Anesthesia.

Provided high level of support and assistance to physicians and nursing during operative procedures.

Scheduled repairs for malfunctioning anesthesia equipment and kept accurate records of all medical components and machines for optimal efficiency.

Kept equipment failure at < 5%.

Contributed feedback to Supply Chain Director and Clinical Resource Manager for big ticket purchases.
